## Legacy

It has been said that to see the true heart of a person is to read their Last Will & Testament. It is through their Will that their legacy is created.

The opportunity now exists to create your legacy while you have time to enjoy and use your good works. The Municipality of Murrysville has opportunities for individuals, families, businesses and organizations to create a legacy for themselves by a donation to provide many necessary improvements to our community.

Can you see your company or organization's name on a ball field or trail? How about having a picnic pavilion named for your family? Would you like your name associated with a community event? As you can see, the list is open for you to think how your legacy to your friends, family and community will be remembered.

Take the opportunity to think about what you can do to better your life and the lives of everyone in the community. Have a vision for the greatness that you can create with a lasting donation to the community.

## The Murrysville Donations & Gifting Committee

The Murrysville Donations & Gifting Committee ("MDGC") was recently appointed by the Murrysville Council and charged with the responsibility of reviewing charitable donations in all forms, which are made by citizens for the benefit of the Murrysville community. The Committee comprises five (5) members appointed to serve a two (2) year term and was established according to Ordinance No. 614-02.

### Our Mission

- To ensure that donations are used to enhance the quality of life for residents of the Murrysville community.
- To stimulate the latent philanthropic interests of citizens in the community.
- To educate the community about donation opportunities.
- To identify community needs and make the process of giving as simple, effective, and as personally rewarding as possible.
